

with the producer as provided in § 1421.22.

§ 1421.20 Release of the commodity pledged as collateral for a loan.

(a) A producer, when requesting a loan shall designate specific storage structures on Form CCC-677, in accordance with § 1421.17(b)(1). The producer is not required to request prior approval before moving loan collateral between such designated structures. Movement of loan collateral to any other structures not designated on CCC-677, or the disposal of such loan collateral without prior written approval of the county committee, shall subject the producer to the administrative actions specified in § 1421.16. A producer may at any time obtain the release, in accordance with this section, of all or any part of the commodity remaining as loan collateral by paying to CCC, with respect to the quantity of the commodity released:

(1) The principal amount of the loan that is outstanding and charges plus interest; or

(2) If CCC so announces, an amount less than the principal amount of the loan and charges plus interest under the terms and conditions specified by CCC at the time the producer redeems the commodity pledged as collateral for such loan in accordance with § 1421.25. The producer may request and CCC may approve removal of a quantity of the commodity from storage, without the payment to CCC of the loan amount, if the principal amount outstanding on such loan before such removal does not exceed the maximum loan value of the quantity of the commodity remaining in storage after such removal. When the proceeds of the sale of the commodity are needed to repay all or a part of a farm-stored loan, the producer must request and obtain prior written approval of the county office on a form prescribed by CCC in order to remove a specified quantity of the commodity from storage. Any such approval shall be subject to the terms and conditions set forth in the applicable form, copies of which may be obtained by producers at the county office. Any such approval shall not constitute a release of CCC's security interest in the commodity or release the

producer from liability for any amounts due and owing to CCC with respect to the loan indebtedness if full payment of such amounts is not received by the county office. If a producer fails to repay a loan within the time period prescribed by CCC for a farm-storage loan and commodity pledged as loan collateral has been delivered to a buyer in accordance with Form CCC-681-1, Authorization for Delivery of Loan Collateral for Sale, such producer may not repay the loan at the rate that is less than the loan rate determined in accordance with § 1421.25(a)(1)(ii) or (b)(2).

(b) CCC may allow a producer to establish a loan repayment rate determined in accordance with § 1421.25 (a)(1)(ii) or (b)(2) on Form CCC-681-1, Authorization for Delivery of Loan Collateral for Sale, provided the producer complies with all terms and conditions set forth on Form CCC-681-1. If a producer fails to repay a loan within the time period prescribed by CCC in accordance with the terms and conditions of Form CCC-681-1 and the commodity pledged as collateral for such loan has been delivered to a buyer in accordance with Form CCC-681-1, such producer may not repay the loan at the rate that is less than the loan rate determined in accordance with § 1421.25 (a)(1)(ii) or (b)(2).

(c)(1) The producer may arrange with the county office for the release of all or part of the commodity that is pledged as collateral for a warehouse-stored loan at or before the maturity of such loan by, with respect to the quantity of the commodity to be released, paying to CCC:

(i) The principal amount of the loan and charges plus interest; or

(ii) If CCC so announces, an amount less than the principal amount of the loan and charges plus interest under the terms and conditions specified by CCC at the time the producer redeems the commodity pledged as collateral for such loan in accordance with § 1421.25. Each partial release of the loan collateral must cover all of the commodity represented by one warehouse receipt. Warehouse receipts redeemed by repayment of the loan shall be released only to the producer. However, such receipts may be released to

persons designated in a written authorization that is filed with the county office by the producer within 15 days before the date of repayment.

(2) Upon the filing of Form CCC-699, Reconcentration Agreement and Trust Receipt, by the producer and warehouse operator, CCC may, during the loan period, approve the reconcentration in another CCC-approved warehouse of all or part of a commodity that is pledged as collateral for a warehouse-stored loan. Any such approval shall be subject to the terms and conditions set forth in Form CCC-699, Reconcentration Agreement and Trust Receipt.

(3) A producer may, before the new warehouse receipt is delivered to CCC, pay to CCC:

(i) The principal amount of the loan and charges plus interest and applicable charges; or

(ii) If CCC so announces, an amount less than the principal amount of the loan and charges plus interest under the terms and conditions specified by CCC at the time the producer redeems the commodity pledged as collateral for such loan in accordance with § 1421.25.

(d) The note and security agreement shall not be released until the loan has been satisfied in full.

(e) If the commodity is moved on a non-workday from storage without obtaining prior approval to move such commodity, such removal shall constitute unauthorized removal or disposition, as applicable, of such commodity unless the producer notifies the county office the next workday that such commodity has been moved and such movement is approved by CCC.

§ 1421.21 [Reserved]

§ 1421.22 Settlement.

(a) The value of the settlement of loans shall be made by CCC on the following basis:

(1) With respect to nonrecourse loans, the schedule of premiums and discounts for the commodity:

(i) If the value of the collateral at settlement is less than the amount due, the producer shall pay to CCC the amount of such deficiency and charges, plus interest on such deficiency; or

(ii) If the value of the collateral at settlement is greater than the amount due, such excess shall be retained by CCC and CCC shall have no obligation to pay such amount to any party.

(2) With respect to recourse loans, the proceeds from the sale of the commodity:

(i) If the value of the collateral at settlement is less than the amount due, the producer shall pay to CCC the amount of such deficiency and charges, plus interest on such deficiency; or

(ii) If the proceeds received from the sale of the commodity are greater than the sum of the amount due plus any cost incurred by CCC in conducting the sale of the commodity, the amount of such excess shall be paid to the producer or, if applicable, to any secured creditor of the producer.

(3) If CCC sells the commodity described in paragraph (a)(1) or (a)(2) in settlement of the loan, the sales proceeds shall be applied to the amount owed CCC by the producer. The producer shall be responsible for any costs incurred by CCC in completing the sale. CCC may deduct such amount from the sales proceeds.

(b) Settlements made by CCC with respect to eligible commodities that are acquired by CCC and that are stored in an approved warehouse shall be made on the basis of the entries set forth in the applicable warehouse receipt, supplemental certificate, and other accompanying documents.

(c)(1) All eligible commodities that are stored in other than approved warehouses shall be delivered to CCC in accordance with instructions issued by CCC. Settlement for such commodities shall be made on the basis of entries set forth in the applicable warehouse receipt, supplemental certificate, and other accompanying documents.

(2) With respect to all commodities, except peanuts, that are delivered from other than an approved warehouse, settlement shall be made by CCC on the basis of the basic loan rate that is in effect for the commodity at the producer's customary delivery point, as determined by CCC.

(3)(i) With respect to peanuts, settlement values for quota and additional peanuts shall be determined and announced annually by CCC. Settlement
